- ☐ We will listen to and enjoy the songs on the app. The best times and places to make this an enjoyable part of our lifestyle are:

- ☐ We will consistently practice the piano.
The best time of day for piano play is:

A good back-up time is:

- ☐ We will work **together** the first few days to make sure accurate practice is happening and we will sign the workbook each time so I can earn a prize at class! (Practice time will build from 1-2 minutes at the beginning to 5-10 minutes by the end of the semester).
